Professional Experience:

Holy Family Academy – Saint Louis Park, MN

August 2020-present

Middle School Math Teacher

- Math 6: Teach the Singapore math curriculum helping students create a strong foundation for pre-algebra
- Remedial math: Teach pre-algebra to many students who need individual intervention or slower pacing to ensure content retention
- Algebra II: Teach Algebra II to a student has an increased pace and has exceeded school curriculum

Teach for Christ – Hopkins, MN

Missionary Educator

- I teach at Holy Family Academy through a Catholic not-for-profit called Teach for Christ
- Teach for Christ sends missionaries to Catholic schools to serve in needed areas – lead teachers, co-teachers, classroom assistants, tutors, etc. – to decrease tuition and increase enrollment

University of Mary – Bismarck, ND

September 2019-December 2019

Adjunct Instructor

- Teach the “*Fundamental Concepts of Algebra*” course and academic skills to college students whom did not perform satisfactorily in their secondary education math programs

Theodore Roosevelt Medora Foundation
